Dear Parent or Guardian:

RE: Fee Waiver Application Process

The purpose of this correspondence is to inform you of the school district's programs for free or reduced-price meals and waivers of school fees for the 2017-18 school year. For those interested in applying for a fee waiver, applications **must** be submitted no later than **Friday, July 7, 2017**. Your application will be reviewed and you will be notified if your application has been approved or denied no later than Monday, July 10, 2017.

To apply for a fee waiver please provide the following:

(1) a completed application form (included in this mailing) **AND** (2) documentation of your household's gross income. **Fee Waiver applications may be mailed or dropped off to Maine South High School no later than Friday, July 7, 2017. If you want to drop off your materials in person, please note that materials must be dropped off in the main office at Maine South High School anytime from 7:30 a.m. to 3:30 p.m. Monday through Thursday.** It is extremely important that you apply during this time period. While applications will be accepted at any time, they are effective on the date that they are approved and are not retroactive to the beginning of the school year.

Free/Reduced Price Meals: Maine South High School offers healthy meals every school day. Your child/children may qualify for free or reduced-price meals. The reduced-price meal is \$1.00 for breakfast and \$1.75 for lunch.

Waiver of School Fees: The Board of Education waives all school fees assessed by the district for a student's required participation in any curricular or extracurricular program, as long as the parent/guardian meets the eligibility. "School fees" are defined in the Board's policy as "any monetary charge collected by the school or district from a student as a prerequisite for the student's participation in curricular and/or extracurricular programs of the school or district." A school does not impose a "fee" when it requires a student to provide his/her own ordinary supplies or materials (pencil, paper, notebook)

School fees include, but are not limited to, costs for:

- All charges for required textbooks and instructional materials;
- All charges and deposits collected by a school for use of school property (locks, towels, other general fees);
- Charges for field trips made during school hours or after school hours if the field trip is a customary part of a class;

- Charges or deposits for uniforms or equipment related to interscholastic athletics, teams organized for inter-scholastic participation, intramurals or fine arts programs;
- Charges to participate in extra-curricular activities;
- Supplies required for a particular class;
- Graduation fees;
- School records fees;
- Driver education fees assessed pursuant to Section 27-23 of The School Code;
- Identification badge fee;
- Technology fee;
- Activity fee.

School fees do not include:

- Library fines and other charges made for the loss, misuse or destruction of school property;
- Replacement cost of lost identification badge;
- Charges for the purchase of class rings, yearbooks, pictures or similar items;
- Charges for optional travel undertaken by a school club or group of students outside of school hours;
- Charges for admission to school dances, athletic events or other social events;
- Personal items for athletic/intramural/extracurricular events such as athletic shoes, baseball gloves, etc.

With respect to the Application Form, please note that although there is a space on the Application Form for your Social Security number, you are not required to provide a Social Security number if you do not have one. You should check the box indicating that you do not have a Social Security number if you do not have one. Note that the District will not use or share with a third party your Social Security number or information regarding your lack of a Social Security number for any reason unrelated to your request for free or reduced-price meals or a fee waiver.

With respect to the documentation of your household's gross income, **you must provide ONE of the following:**

- All 2016 Federal tax returns (IRS Form 1040) for each working household member who has such a form, including copies of all 1099s and W-2's. Note that the District will not use or share with any third party your tax forms or any information regarding your lack of tax forms for any reason unrelated to your request for free or reduced-price meals or a fee waiver; **OR**
- Evidence of participation in TANF (Temporary Assistance for Needy Families) or Supplemental Nutrition Assistance Program (SNAP); **OR**
- Evidence the student is a foster child. **OR**
- If you are unable to provide any of the information listed above, please contact the Associate Principal.

Here are answers to questions you may have about applying under these methods:

1. Do I need to fill out an application for each child?

No. Use one Household Eligibility Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information.

2. Who can get free/reduced meals and a school fee waiver?

Children in households receiving Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance for Needy Families (TANF) and foster children receive these items regardless of income. Also, if your household income is within the limits on the Federal Income Chart your children are eligible.

3. My child's application was approved last year. Do I need to fill out another one?

Yes. Your child's application is only good for that school year.

4. If I do not qualify now, may I apply later?

Yes. You may apply at any time during the school year. While applications will be accepted at any time, they are effective on the date that they are approved and are not retroactive to the beginning of the school year.

5. Who should I include as members of my household?

You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.

6. I get WIC. Can my child(ren) get free meals?

Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out the enclosed application.

Illinois Revised Statutes, Chapter 38, Paragraph 17-6 provides that supplying false information to obtain a fee waiver is a Class 4 felony.

We will review and verify the information you submit. If you provide the requested documentation, we should be able to tell you immediately if your fee waiver request has been granted or denied. If your fee waiver request is denied, and your family circumstances change, such as a decrease in household income, an increase in household size, unemployment or receiving food stamps or TANF for your children, you may reapply for a waiver at any time during the school year. If your household income increases or family size decreases, you are obligated to report this change to my office immediately.

A denial of a fee waiver request by the Associate Principal may be appealed to the Assistant Superintendent of Business by submitting a written appeal within ten (10) school days of the denial by the Associate Principal. The Assistant Superintendent for Business shall decide the parent's appeal within thirty (30) days of the receipt of the parent's written request for appeal. The decision of the Assistant Superintendent of Business is final and binding.

If you have any questions regarding the free and reduced-price meals or fee waiver request process, please call the school.

Sincerely,

George A. Dages
Associate Principal
