

Food Allergen Disclaimer

Quest Food Management makes every attempt to identify ingredients that may cause allergic reactions for those with food allergies. Every effort is made to instruct our food production staff on the severity of food allergies.

Maine South High School consults individually with students whom have food allergies to minimize allergic reactions. Please be advised that our menu items may contain allergens, may have come in contact with items containing allergens, and there is always a risk of contamination or cross-contamination. There is also a possibility that manufacturers of the commercial foods we use could change the formulation or substitute at any time, without notice. The allergen information provided is accurate and up-to-date to the best of our knowledge. It is based entirely on the information provided by our ingredient manufacturers and suppliers.

Customers concerned with food allergies need to be aware of this risk. Prior to consuming the product, individuals with severe food allergies should confirm the ingredient information on the actual label of the product. Maine South High School will not assume any liability for adverse reactions to foods consumed, or items one may come in contact with while eating at Maine South High School . No allergen information should ever be considered a guarantee, but simply a best faith effort to serve our customers.
