"The Test & The Art of Thinking" on 11/14/18

"The Test & the Art of Thinking" documentary screening:
11/14/18, 7-9 PM, Auditorium

PSAT Score Information

PSAT scores are available electronically for individuals to access in December, six to eight weeks after taking the exam. The College Board doesn't have the 2018 PSAT score release date finalized yet, but based on past years, it is expected that the 2018 PSAT scores to be available online around December 10, 2018. **Note schools do not have access to the online scores.** A hard copy of the students score report will be distributed to students in January 2019 after Winter break.

"Maine South Student Council
& Fine Arts Present"

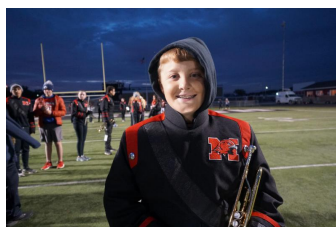

A poster for the "Camp V-Show" featuring a night sky with a full moon, stars, and a forest silhouette. The title "CAMP V-SHOW" is in large, stylized letters, with a green tent and a campfire integrated into the letter 'A'. The letters are surrounded by decorative elements like sticks and marshmallows.

Referendum Information Tours

The district is providing tours of the schools as part of its effort to inform all residents about the referendum. If you are interested in touring the school, please know South will be hosting five tours in the coming months. The tour dates are available [here](#).

Principal's Vlog

Feature Story

This year Maine South merged a CTE course and Algebra 1 course to create a contextualized math class. The co-taught Algebra 1 in Design class immerses students in the design process by building

projects that make natural connections to the Algebra curriculum. Students will learn basic electronics, wiring and metal working which provides an opportunity to thoroughly engage all students, all while learning the fundamentals of Algebra 1.
