A Message from the English Department

Welcome to the 2019 Summer Reading Program! The English Department, with the assistance of school librarian, Suzanne Kowalski, has created a diverse list of high interest and high quality summer reading titles to choose from. We have attempted to create a list that will allow all students to find a subject or genre that interests them. **All incoming 9**th **through 12**th **graders are required to read one book from the 2019 Maine South Summer Reading List.** Accelerated and AP English courses have additional required reading assignments which are outlined beginning on the next page.

We have included a series of resources (see below) to assist students and families in selecting a summer reading book. After reviewing information available for each book, we encourage families to make a decision that they feel is appropriate for their student's summer reading.

Books may be obtained at bookstores, libraries, or on the device of your choice. Students are free to read a paper or digital copy of their selection. The book list includes ISBN-13 numbers to ensure the reading of the correct edition of each book. A limited number of copies of the summer reading titles (e-books and audio books) are available digitally on OverDrive, Maine South's online library. You can access OverDrive here or by installing the Sora by OverDrive app on your phone or tablet. Use your Maine South username and password to check out a book.

Students should read their book at their leisure over the course of the summer. In August, students will be assessed on their summer reading book. Assessments will be determined by course and may include a written response, a graded discussion, or another format to gather information about the student's experience with the book he or she chose to read.

Reading is vital to success in every academic pursuit. It is a skill that requires consistent practice, and fortunately, it can also be an enriching activity. Research shows that avid readers read better, write better, and concentrate better. They also tend to be more nimble in their thinking and empathetic in their interactions.

We hope you find the books in this year's program to be both interesting and engaging, and we invite parents to join in on the reading too! Students, the teachers of the English Department look forward to hearing your thoughts about your selections at the beginning of the 2019-2020 school year.

Matthew Parrilli | English Department Chair <u>mparrilli@maine207.org</u>

Accelerated & AP English Summer Reading Requirements

English 1 Accelerated

Dear English 1 Accelerated students and parents,

Welcome to English 1 Accelerated! We look forward to working with you this fall and introducing you to the Accelerated English program. In order to satisfy the requirements of the Maine South Summer Reading Program, you will need to read one of the thirty books from the choice book list. In addition to this book, all freshman entering English 1 Accelerated are required to read *The Book Thief* by Markus Zusak (ISBN-13: 978-0375842207).

We will begin the year by examining *The Book Thief* through the lens of the Hero's Journey. As you read, please annotate this book with notes that will help you organize your ideas and analyze the themes, as there will be a test at the start of the school year. If you are reading a library book or an e-book, you may want to take notes in a notebook. Please bring both summer reading texts with you to class in August.

If you have questions, please feel free to e-mail the English Department Chair Matt Parrilli at mparrilli@maine207.org who will answer your question or put you in touch with a member of the team. Have a relaxing and enjoyable summer! Sincerely,

The English 1 Accelerated Team | Johanna Abend, Paul Bellisario, Sheila Miller, Jon Scorza, and Alex Stathakis

English 2 Accelerated

Dear English 2 Accelerated students and parents,

Welcome to English 2 Accelerated! In order to satisfy the requirements of the Maine South Summer Reading Program, you will need to read one of the thirty books from the choice book list. In addition, all sophomores entering English 2 Accelerated are required to read Agatha Christie's *And Then There Were None* (ISBN-13: 978-0062073488).

Students should bring their copies of *And Then There Were None* to school with them in August as we will be working with the novel during the first few weeks of the school year.

If you have questions, please feel free to e-mail the English Department Chair Matt Parrilli at mparrilli@maine207.org who will answer your question or put you in touch with a member of the team. Have a relaxing and enjoyable summer! Sincerely,

The English 2 Accelerated Team | Jill Braverman, Julianna Cucci, Laura Kirshner, and Darcie Schanou

AP Language and Composition

Dear AP Language and Composition students and parents,

Welcome to AP Language and Composition! We look forward to working with you this fall and introducing you to the AP English program. In order to satisfy the requirements of the Maine South Summer Reading Program, you will need to read one of the thirty books from the choice book list. In addition, all juniors entering AP Language and Composition are required to read Malcolm Gladwell's *Outliers* (ISBN-13: 978-0316017930). Since non-fiction is the foundation of this course, reading this book will prepare students to understand important rhetorical strategies in persuasive writing.

<u>Clicking this link</u> will take you to a reading guide of questions for students to answer while reading the text. Your responses will be your first assignment for the course. Students should bring their completed reading guide and copy of *Outliers* to school in August as we will be working with the text during the first few weeks of the school year.

If you have questions, please feel free to e-mail the English Department Chair Matt Parrilli at mparrilli@maine207.org who will answer your question or put you in touch with a member of the team. Have a relaxing and enjoyable summer! Sincerely,

The AP Language and Composition Team | Johanna Abend, Teri Knight, Jim McGowan, and Sheila Miller

AP Literature and Composition

Dear AP Literature and Composition students and parents,

Welcome to AP Literature and Composition! Instead of reading one of the titles from the 2019 Summer Reading list, students should read one of the four books listed below. All of these titles have all appeared on the AP Literature exam in previous years. You may choose from:

- A Thousand Splendid Suns by Khaled Hosseini (ISBN-13: 978-1594483851)
- One Flew Over the Cuckoo's Nest by Ken Kesey (ISBN-13: 978-0451163967)
- Catch-22 by Joseph Heller (ISBN-13: 978-1451626650)
- The Handmaid's Tale by Margaret Atwood (ISBN-13: 978-0385490818)

Additionally, since the AP Literature and Composition course and exam focus upon poetry, we would also like you to read *Poetry 180: A Turning Back to Poetry* by Billy Collins (ISBN-13: 978-0812968873). This book is available for check out as an e-book on <u>OverDrive</u>.

Students should bring their copies of the books to school with them in August as we will be working with the novels and poems during the first few weeks of the school year.

If you have questions, please feel free to e-mail the English Department Chair Matt Parrilli at mparrilli@maine207.org who will answer your question or put you in touch with a member of the team. Have a relaxing and enjoyable summer!

Sincerely,

The AP Literature and Composition Team | Jill Braverman, Christine Headley, and Amy Krukowski
