First Day as a Hawk

Maine South would like to welcome the Class of 2023. Your first day of school as a Hawk will be **Monday, August 12th**. Only Freshmen will be in attendance on this day. Maine South has a great day planned, welcoming you, the Class of 2023, to the Maine South family.

This day has been built to help you learn your way around the halls of Maine South, meet your classmates, your upper-class mentors and your teachers in a fun-environment as you become acclimated to your high school. All you need to bring is a good attitude and some money for lunch.
