To: Juniors and Seniors

This letter is to inform Juniors and Seniors in District 207 about options for taking the SAT and ACT through District 207 for the upcoming school year. In addition to the mandatory SAT that all Juniors take during April of their Junior year, District 207 schools also participate as sites for national testing for the SAT and ACT that take place on Saturdays throughout the year.

As a result of the upcoming major construction projects connected to the referendum, we are updating the dates and sites that we will offer the SAT and ACT during the national Saturday test dates. Below is a list of tests and the dates that District 207 is offering the SAT and ACT for the 2019-2020 school year.

AS A REMINDER: ALL JUNIORS IN DISTRICT 207 WILL TAKE THE SAT THROUGH THEIR HOME SCHOOL ON TUESDAY APRIL 14TH, AND THEY DO NOT NEED TO REGISTER OR PAY FOR THAT EXAM.

National test dates are open to any student, not just those from District 207. Space is limited on national test dates, and students should not wait until the deadline to register for a test. If a District 207 site is full during a national test date, students can choose another site in the Chicago metropolitan area that offers that test on the same date.

ACT Registration can be done at www.act.org SAT registration can be done at www.collegeboard.org

SAT/ACT Dates in District 207: 2019-2020 School Year

Dear Parents,

Meet the Teacher Night will be held on **Thursday, August 29, 2019**, from **6:30 p.m. to 8:35 p.m.** Please take advantage of this great opportunity to meet with our teachers and find out about the courses your son or daughter is taking this year. Making connections with your child's teachers is an important part of creating a network of support as they go through high school.

Parking is always a challenge on this evening as on campus parking is limited. There will be extra parking at the District 207 Administration building located on the corner of Devon and Dee Roads, as well as in the Forest Preserve Parking Lot across from the front entrance of our school for your convenience.

Please add this event to your calendar. Additional information to follow as we get closer to the evening.

Thank you!
