School Wide Fundraiser Online Auction

Every year Maine South High School selects an organization to support through fundraising efforts that continue for the entire school year. This year the students voted and selected

DUP15q.

Maine South has a direct connection with DUP15q. Current students, and Maine South Alumni, have someone in their family with DUP15q syndrome. People with DUP15q are born with a rare genetic abnormality that multiplies some of the genes from chromosome 15. Many people who have these extra genes have low muscle tone, developmental delays, autism, and in some cases hard to control seizures.

All proceeds from the school's Spring fundraiser, including this auction, will go toward The DUP15q Alliance (visit dup15q.org for more information). This organization provides family support and promotes awareness, research and targeted treatments for chromosome 15q11.2-13.1 duplication syndrome.

The Online Auction will begin on April 24th at 9:00 am and will Conclude on May 1st at 9:00 pm

Color Run

Join the Maine South chapter of the National Honor Society for our fifth 'Color Run' to raise money for the schoolwide fundraiser. The purpose of our run/walk is to bring the school and the Maine South community together for some fun, to build bridges to the community, and to support the recipient charity - which for 2019 is the Dup15q Alliance. All ages are welcome! Registration can be done online or on-site. We are also looking for local businesses to join our list of sponsors! Please contact us if you are interested in being an event sponsor!
