**Invitation from Dr. Benjamin Collins,
Principal of Maine South**

Dear Maine South Parents/Guardians,

Please join me on Wednesday, April 10, for the 25th Anniversary Benefit Dinner of the Maine Township High School District 207 Educational Foundation. The event will be held at Café la Cave, Des Plaines, from 5:30-8:30 pm.

Thanks to the generosity of compassionate people like you, the Maine 207 Foundation is able to fulfill its mission: to acquire and distribute resources to the students and staff of District 207 for the purpose of providing enriched learning opportunities to further the educational mission of the District.

This year our guest speaker will be Maine West Alumnus, Allen Blue. Allen is the Co-Founder of LinkedIn, one of the most successful companies on the Internet, and son of Jim Blue, founding Chairman of the District 207 Educational Foundation.

I look forward to seeing you on April 10th at Café la Cave and celebrating this milestone event of our Maine Township High School District 207 Educational Foundation!

Please click on the link below to reserve your seats or to give a donation.

Sincerely,

Dr. Benjamin Collins
