IMPORTANT ADVISORY

INFORMATION:

To all freshmen parents and students,

Attendance for advisory sessions on block days is required for students.

If a student chooses not to attend these advisory sessions, the result will be a conduct referral and school consequences from the dean's office, the same as if a student misses an academic class unexcused.

Thank you for taking the time to read this communication.

Feature Story

Starting in May 2019, seniors will have the *option* to take their final exam that would be scheduled for May 14th and 15th (the two days designated for senior final exams). The grade they have going into that final exam would be the grade they keep if they choose not to take the final exam. If a student wishes to sit for their final to improve their grade, they can do that. Long term projects, presentations, or other experiences for seniors will need to be wrapped by end of the day on May 13th. All grades for seniors are due Thursday, May 16th at 12 pm.
