Maine South High School

Hawk Squawk

November 5th, 2018

**“There is no exquisite beauty without
some strangeness...”**

Edgar Allen Poe

Reminder: NO SCHOOL TUESDAY NOVEMBER 6TH

On Tuesday morning at approximately 10am Maine South will be conducting their annual intruder drill. The Park Ridge Police Department at Maine South will be conducting this drill with scenarios that will include an active shooter. This will give our staff an opportunity to experience a realistic situation preparing them for an event we hope will never occur.

The Test & The Art of Thinking

[Save the Date: Documentary Screening at Maine South of "The Test & The Art of Thinking" on 11/14/18](#)

["The Test & the Art of Thinking" documentary screening: 11/14/18, 7-9 PM, Auditorium](#)

PSAT Score Information

PSAT scores are available electronically for individuals to access in December, six to eight weeks after taking the exam. The College Board doesn't have the 2018 PSAT score release date finalized yet, but based on past years, it is expected that the 2018 PSAT scores to be available online around December 10, 2018. **Note schools do not have access to the online scores.** A hard copy of the students score report will be distributed to students in January 2019 after Winter break.

Referendum Information Tours

The district is providing tours of the schools as part of its effort to inform all residents about the referendum. If you are interested in touring the school, please know South will be hosting five tours in the coming months. The tour dates are available [here](#).

Principal's Vlog

Feature Story

Maine South High School senior artists are placing the finishing touches on their pieces for debuting their work in the first art exhibit of the year. In conjunction with the Kalo Foundation, our senior visual artists have a show dedicated to the work they have produced over the course of their four years in the art program, which includes courses in Design and Materials, Drawing and Painting, Photography, Ceramics, and Digital Imaging. Several of these artists submit AP portfolios to the College Board and those pursuing art schools receive thousands of dollars in scholarships. Visual Arts students are pursuing careers in Art Education, Art Critic/Writing, Art Law, Curatorial Consulting, Art Therapy, Commercial Design, Book Illustration, Graphic Design, Multi-Media, Medical Illustration, and many more.
