The scheduled sequence for final exams is listed above. In the event that school is cancelled due to weather, additional information will be posted on the school web-site. Please Note: Final Exams will not be administered prior to their scheduled final exam time.

Helpful Information from the Dean's Office

Would your student like to play games at school? Could their cell phone or Chromebook use a break? If so, your student

should come to Maine South's Unplugged session! Students are welcome to play board games, play cards or just hang out with our therapy dogs! The next Unplugged date is Friday, November 1st in C107 during lunch periods.

Congratulations to the Boys Cross Country team on their 2nd place finish at the IHSA/Niles West Regional

Feature Story

[Science Clubs](#)

The Maine South Science Department is proud to sponsor four different clubs and a science-specific honor society to enrich students' experiences with science outside of their classroom learning. The Science National Honor Society has criteria that students must meet in order to be a member, but all other clubs are open to all students. Meeting times and locations for the groups can be found in the student bulletin, and students can also contact the club sponsors for more information.
