Discover Aviation Excitement with Aviation Explorer Post 9

Fly with an Instructor

Aviation Exploring is a program for high school and college students interested in learning more about all aspects of aviation.

Discover Homebuilding

Sponsored by Windy City Flyers, Aviation Explorer Post 9 meets on the 1st and 3rd Mondays of the month at the offices of Chicago Executive Airport. The meetings teach aviation techniques which are put to use in four flights with an instructor during the year.

Visit a Maintenance Center

Visit a Warbird Museum

Tour Corporate Aircraft

Learn Aeronautics

Our annual airplane wash raises funds for the Post. Other activities include learning about homebuilt aircraft and visiting interesting aviation locations.

Wash Airplanes

Inspect a Recovered Airplane

Every year, Explorers can spend the week at EAA AirVenture in Oshkosh where they volunteer working on the flight line and enjoying the air show and many exhibits present.

Referendum Information Tours

The district is providing tours of the schools as part of its effort to inform all residents about the referendum. If you are interested in touring the school, please know South will be hosting five tours in the coming months. The tour dates are available [here](#).

Principal's Vlog

[Feature Story](#)

The Career and Technical Education (CTE) department prides itself on innovation. We continually work to provide students with the most current and relevant college and career preparatory courses. This year our teachers worked tirelessly to develop several new courses that reflect high demand career pathways.
