Discover Aviation Excitement with Aviation Explorer Post 9

Fly with an Instructor

Aviation Exploring is a program for high school and college students interested in learning more about all aspects of aviation.

Discover Homebuilding

Sponsored by Windy City Flyers, Aviation Explorer Post 9 meets on the 1st and 3rd Mondays of the month at the offices of Chicago Executive Airport. The meetings teach aviation techniques which are put to use in four flights with an instructor during the year.

Visit a Maintenance Center

Tour Corporate Aircraft

Learn Aeronautics

Visit a Warbird Museum

Our annual airplane wash raises funds for the Post. Other activities include learning about homebuilt aircraft and visiting interesting aviation locations.

Wash Airplanes

Inspect a Recovered Airplane

Every year, Explorers can spend the week at EAA AirVenture in Oshkosh where they volunteer working on the flight line and enjoying the air show and many exhibits present.

Learn more about Aviation Explorers at Program Kickoff September 17, 7-9 pm.
