## Parent Engagement

**Senior Class Council is looking for 12 parent volunteers to help with coat-check (and possibly punch-pouring) at the Homecoming Dance on Saturday, September 29th. We would need your service from 6:30pm until 10:15pm. Please email Anna Serrano ([aserrano2@maine207.org](mailto:aserrano2@maine207.org)) or Susan Deering ([sdeering@maine207.org](mailto:sdeering@maine207.org)) if interested!**

**[Parent Academy Schedule](#) and [Registration](#)**

**[Maine South Parent Scholarship Club](#)**

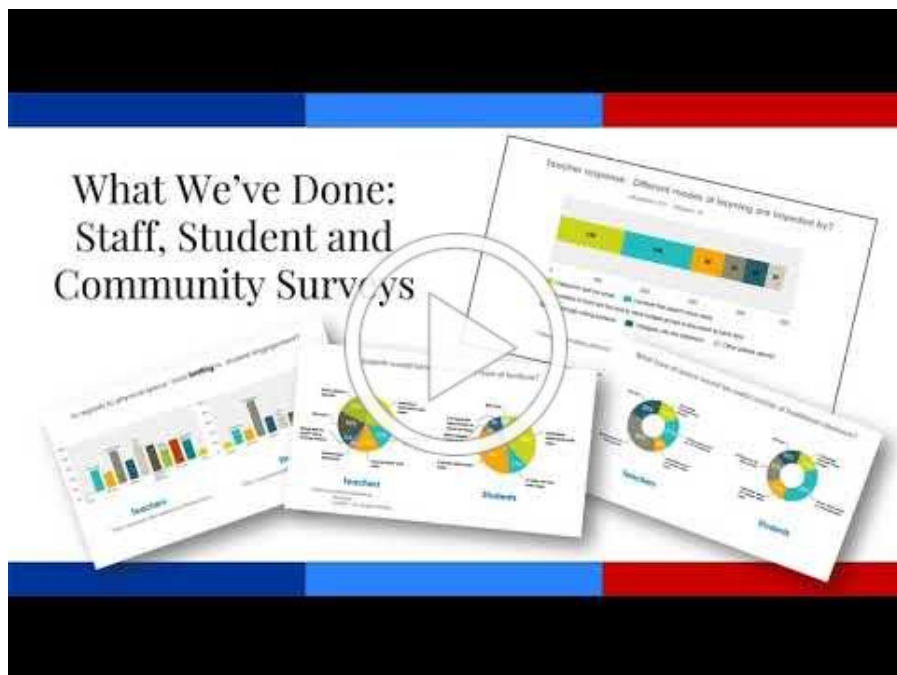

Maine Township District 207 is partnering with our local YMCAs to host a free showing of [Most Likely to Succeed](#), a documentary based on the book by Ted Dintersmith. The documentary features High Tech High School, a progressive and forward thinking high school in California and offers a look into what high school can look like as we help students build the skills to be successful in an ever-changing world.

The film will be followed by a panel discussion with members of our community and District 207 administration. See the attached [flyer](#) for more information.

---

# Referendum Information Tours

The district is providing tours of the schools as part of its effort to inform all residents about the referendum. If you are interested in touring the school, please know South will be hosting five tours in the coming months. The tour dates are available [here](#).

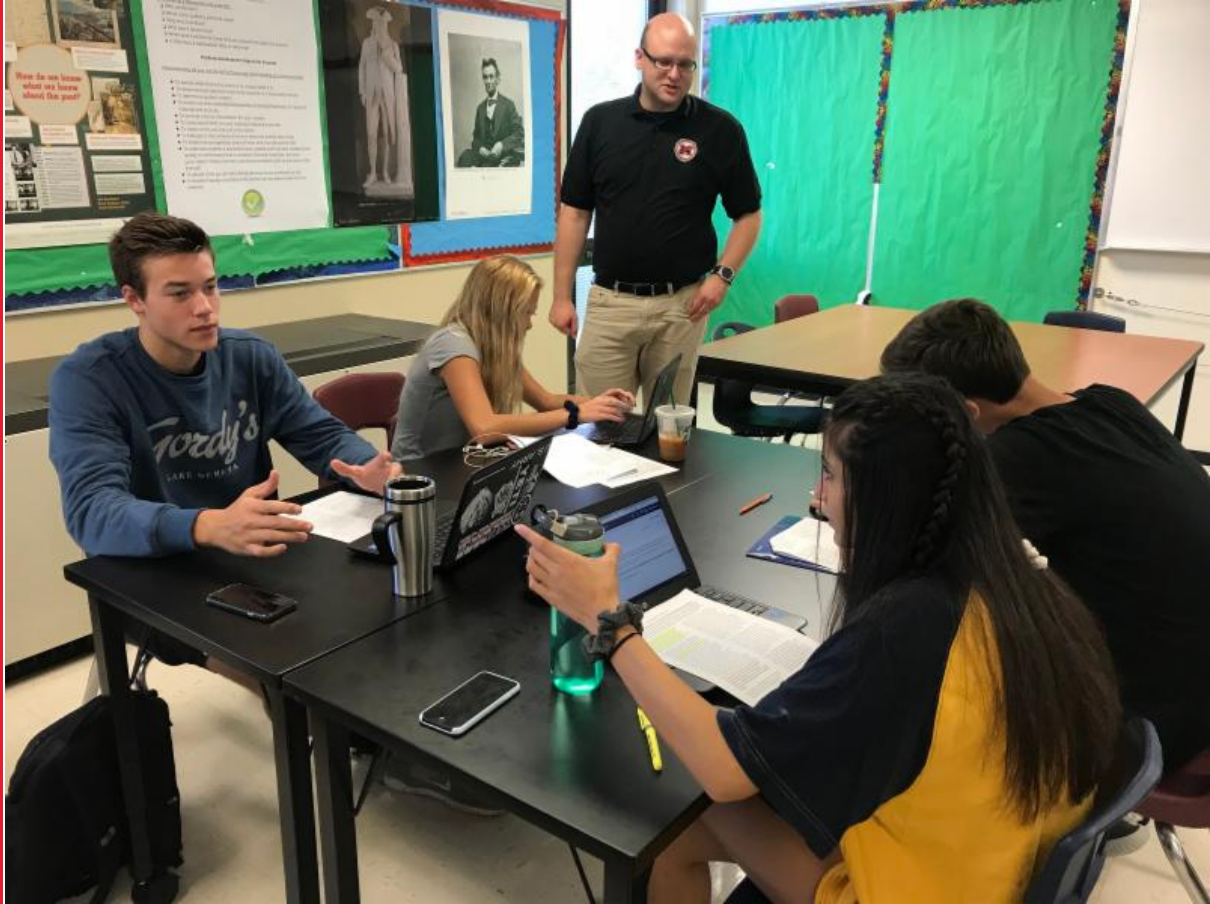

---

---

## Feature Story

Think about the last time you learned something new. Did you look something up on the internet to complete the task? Ask someone else for help in the learning process? Did you take time to practice and master this newly learned skill? Educators in District 207 know that not all students learn at the same rate, in the same amount of time, or along the same path. Blended learning is one of many innovative instructional practices that our teachers are using to personalize learning for students
