

2020-2021 SCHOOL FEE PAYMENT INFORMATION

STEP 1: Online Registration Process

The Online Registration Process for 2020-2021 is now open. This must be completed prior to Step 2.

- Go to the Infinite Campus Portal website (instructions can be found at <https://maine207.org/news/online-registration-for-2020-21-school-year-now-open/>).

STEP 2: Payment & Fee Waiver Application Process

- Go to the Infinite Campus Portal website (instructions can be found at <https://maine207.org/student-services/online-registration/online-payments/>).
 - You will find instructions for the fee waiver application process in this email. Questions regarding the fee waiver process should be directed to the Associate Principal's office.

Payment, Fee Waiver and/or Payment arrangements must be finalized no later Friday, August 7, 2020

In addition to Step 1 and Step 2, the following are also required in order to successfully register your child for the 2020-2021 school year.

- Verification of Residency - Maine Township District 207 has contracted with an outside vendor to automatically verify the residency of all students. This automatic process provides the district a more effective, and accurate means of checking the actual residency of each student. Our intent in verifying each student's residency is to ensure that we are in compliance with state law and to fulfill our obligation to District 207 taxpayers that we allocate our resources to educate students who are legitimately entitled to attend our school. If your residency was verified through this process you received notification informing you that the residency was verified and no further action is needed on your part. If your residency changes during the course of the school year you will need to inform the Student Services Department of the change of address. If you received a letter asking you to verify residency in any of our schools' attendance areas you will be required to submit all paperwork to the Student Services Office no later than Monday, July 6, 2020.
- Health Form (Frosh & New Students Only)- If you have not yet submitted a health form, please do so no later Friday, August 7, 2020.
- Meningitis - Any child entering 12th grade must show proof of having received two doses of the Meningococcal vaccine (Menactra/MCV4) prior to entering the 12th grade. Questions should be directed to the Health Office, southnurse@maine207.org, 847.692.8199.
