## Feature Story

### [New Parent Boot Camp Registration Information](#)

We annually hold a one-time event for new parents called the [New Parent Bootcamp](#). The school administration shares how aspects of our community are organized, how events and communication take place, and how you navigate support and help. While this is geared towards parents with their oldest child entering high school, all Freshman parents have found it beneficial in the past.

This will be a virtual even on 9/3/2020 at 7:00pm.
