2021-2022

Dear Parents and Friends,

We hope this letter finds you healthy, relaxed, and enjoying summer! With the new school year approaching, we write on behalf of the Maine South Music Booster Organization to urge you to please join us in supporting the Orchestra, Choir, Band, Piano, and Guitar students of Maine South High School in their 2021-2022 musicianship.

Thanks to our loyal and generous donors, in 2020-2021 - notwithstanding a global pandemic - the Music Boosters funded over \$26,000 for the needs of music students and the music program at Maine South! This included \$9,300 in lesson scholarships, \$7,000 for senior scholarships, summer camp scholarships in the amount of \$3,800, and the purchase of a \$2,100 bass for the orchestra program. In addition, the Music Boosters helped fill Music Department needs by contributing \$2,500 to the purchase of a Tricaster used to stream concerts, theater productions, and marching band performances, and we provided \$1,400 to purchase music theory workbooks for students at the start of virtual learning. None of this would be possible without people like you making generous contributions to the Music Boosters.

We are excited to see what the Music Department and students have in store for us this year and we look forward to the return of in-person events, fundraisers and celebrations. We hope that you will join us in supporting the Maine South music students by contributing what you can to help defray the costs of private lessons, to provide scholarships, and to support Music Department needs. Please renew your Maine South Music Booster Organization membership, join anew if you are not already a member, and consider volunteering to support the unparalleled music programs at Maine South High School. Music Boosters is a parent run and 501(c)(3) tax exempt organization, so your membership and contributions are tax deductible. Membership and donations can be made using the attached form, or on our website at [www.mainesouthmusicboosters.org](http://www.mainesouthmusicboosters.org).

Thank you and please let us know if you have any questions or would like to volunteer,
